

## Costume Rental Policy

Tuacahn Costume Shop rents their costumes for a modest fee. Tuacahn only rents its costumes to theatrical productions for professional and educational (high schools, colleges) theatres. There are no exceptions to this policy. Tuacahn does not rent wigs, shoes, undergarments, corsets or jewelry. Hats are rented on a case by case basis.

- Full character costume prices are \$10 - \$350 (depending on specialty).
- Rental fee is based on one week of performance.
- The renter is responsible for **shipping fees, dry cleaning and washing**. All costumes must be dry cleaned/cleaned before returning.
- Rental Fees are due at the time the costumes are checked out/shipped out.
- The renter is responsible for the maintenance of the costumes. **(No cutting of any kind, no eating, drinking or smoking when in costume)**.
- The renter may pick-up/return costumes by appointment only. All orders/requests must be placed in advance with an authorized agent, and a date and time set up.
- All costumes must be returned in their original condition. Any alterations must be undone before returning. (This does not include “repair” of tears, etc.)
- Upon return, all costumes will be checked in. **If there are any damaged or lost items the renter agrees to pay the full costume Value price.**
- If costumes are returned late, without authorization from the rental agent, a 10% late fee will be charge each week they are late. That is 10% of the total rental fee.
- Any infractions of the above policies may result in additional charges.
